

```
mu721466@george-desktop:~$ nano dynamic.cpp
mu721466@george-desktop:~$ g++ dynamic.cpp
mu721466@george-desktop:~$ ./a.out
Enter an integer
4
Enter number at the position of 0 place in an array:
2.3
Enter number at the position of 1 place in an array:
4.9
Enter number at the position of 2 place in an array:
1.0
Enter number at the position of 3 place in an array:
4
Values present in 1D array are
2.300000
4.900000
1.000000
4.000000
The minimum number present in the array: 1.000000
The maximum number present in the array: 4.900000
Average of all numbers present in the array: 3.050000
